4. Financial Aid Information

Determining Award Amount: recipients to receive financial aid funds will vary from program to program and hours. Students must have a processed FAFSA® Form on file and completed the verification process (if applicable) before funds are awarded. The information provided on the FAFSA® Form is used to calculate the *Student Aid Index (SAI)*. In turn, it is used to calculate the student's eligibility for need-based aid programs, including such as federal programs.

UCAS University of Cosmetology Arts & Sciences uses the *Student Aid Index (SAI)* as determined by the U.S. Department of Education from the information provided on the Free Application for Federal Student Aid FAFSA).

The Financial Aid Office uses the following formula to calculate your financial need:

$$\begin{array}{l} \text{Cost of Attendance (COA)} \\ - \text{Student Aid Index (SAI)} \\ = \text{Financial Need} \end{array}$$

All federal and state aid are awarded according to federal and state guidelines and eligibility criteria. Funds are awarded until funds are exhausted. The amount of the award will vary based on hours and the program. The Federal Direct Loan will be awarded based on classification.

The Financial Aid Office offers a variety of financial programs to help eligible students to pay the cost of the program. The money provided through these programs can be in the form of grant, loan, or combination of any of these programs. Grants are gifts of money. They do not have to be repaid.

A student who enrolls at UCAS University of Cosmetology Arts & Sciences ("the school") agrees, as a condition of enrollment, to resolve any legal disputes with the school through arbitration. Specifically, the student and the school enter into a "pre-dispute arbitration agreement" which means that the student and the school are agreeing to resolve through arbitration any disputes that may arise in the future between the student and the school. Because arbitration is a way to resolve a dispute without filing a lawsuit and going to court, both the school and the student waive any rights to jury trial as part of the pre-dispute arbitration agreement. § 685.300(d)).

As an additional condition of enrollment, students agree to waive their right to bring their claims together through a class action lawsuit or class arbitration against the school. These conditions of enrollment apply to all students and all of their legal claims, regardless of whether the student receives financial assistance or loans from the U.S. Department of Education ("ED").

ED requires the following disclosures related to how the above pre-dispute arbitration agreements and class action waivers affect students who receive federal student aid, including students who obtain Federal Direct Loan Program loans. With respect to such students:

- The school does not require a federal student borrower to participate in arbitration or any other internal dispute resolution process prior to filing a borrower defense to repayment claim with ED. Student borrowers may file borrower defense to repayment claims at any time.
- The school does not on any way require students to limit, relinquish, or waive their ability to pursue filing a borrower defense claim, at any time; and
- Any arbitration proceedings conducted under any pre-dispute arbitration agreement with the school tolls the limitations period for filing a borrower defense to repayment claim with ED.

7. SATISFACTORY ACADEMIC PROGRESS POLICY

The institution's Satisfactory Academic Progress (SAP) Policy applies to every student enrolled in a NACCAS-approved program and applied consistently to all undergraduate students enrolled in full time and part time, attendance, regardless of the program length. This policy is published in the school catalog and is provided prior to enrollment through the Financial Aid Office & school website <http://ucastx.com/courses-admission/>

Academic Year:

The Institution's Academic Year for each program is defined as 900 Clock Hours to be completed at least. 30 academic weeks.

a. Attendance & Academic Performance (based on actual hour increment)

The following elements are evaluated on a cumulative basis:

Attendance (quantitative) – 67% Overall attendance

Academic Performance (qualitative) – 75% Overall Grade Point Average

b. Maximum Time Frame

For an undergraduate program measured in clock hours, a period no longer than 150 percent of the published length of the program as measured by the cumulative number of clock hours the student is required to complete and expressed in calendar time. (Note that a student in a clock hour program cannot receive aid for hours beyond those in the program; the maximum timeframe applies to the amount of calendar time the student takes to complete those hours.)

Exceeding Maximum Time Frame:

Students who have not completed the course within the maximum time frame expressed in calendar time may request to continue their program on a cash pay basis.

c. Evaluation Periods

Course	On Time Graduation- Total & Schedule Clock Hours	Actual Hour Increment for Evaluation & The Number of Academic Weeks	Maximum Time Frame Measured in Calendar Weeks

d. Leave of Absence

If a student's enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during the LOA will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.

e. Academic Evaluation

Students are assigned theory & practical study. Theory and Practical work are evaluated in writing; exams are administered within the unit of study. The student's academics are evaluated at the actual hour increment, measuring the Grade Point Average (GPA) at the time of the evaluation. The first evaluation occurs no later than the mid-point of the academic year or mid-point of the course, whichever occurs sooner.

f. Grading System

The institution utilizes the following grading system to determine academic performance at the actual hour increment evaluation:

Grading Scale

93-100	Excellent
85-92	Very Good
75-84	Satisfactory
74 and below	Below Standards- Unsatisfactory, below SAP Requirements

g. Attendance Evaluation

The student's attendance is evaluated based on actual clock hours and is measured using scheduled clock hours versus actual clocked hours. The first evaluation occurs no later than the mid-point of the academic year or mid-point of the course, whichever occurs sooner.

h. Determination of Status

A student meeting SAP at the actual hour increment, is considered making Satisfactory Academic Progress until the next scheduled evaluation.

i. Warning

Students not meeting the minimum requirements for attendance or academic progress at any actual hour increment evaluation will be placed on Warning but are considered making Satisfactory Academic Progress until the next actual hour increment and are eligible for Title IV funds. The student will be advised in writing of the necessary steps to follow in order to meet SAP at the next scheduled evaluation. If at the end of the Warning period, the student is not making Satisfactory Academic Progress, the student may be placed on Probation at the next scheduled actual hour increment (see Probation).

j. Probation

Students who fail to meet the minimum requirements for attendance or academic progress after the Warning period will be placed on probation if:

- The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation; and
- The student prevails upon appeal** of a negative progress determination prior to being placed on probation; and
- The institution determines that satisfactory academic progress can be met by the end of the subsequent evaluation period; or
- The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

k. Appeal a Satisfactory Academic Progress Determination

****Appeals can be made before the end of the Warning Period when circumstances during the Warning period prevented the student from satisfactorily meeting the school's recommended plan.**

For the appeal to be considered, the student must submit appeal in writing prior to the end of the Warning period.

Student must submit a document listing the reasons why the student failed to meet satisfactory academic progress and describe in writing what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation.

Documented reasons accepted by the institution may include.

- Death of a relative
- Serious illness, injury, or hospitalization of the student
- Bankruptcy
- Foreclosure
- Other Allowable Circumstances

Before a status of Probation is granted, and eligibility re-established, student must prevail the appeal. If the appeal is denied, student is non-Title IV eligible and must comply with payment plan for none Title IV eligible payment period. The results of the appeal are kept on the student's Financial Aid File and the student is notified if the result impacts their Financial Aid eligibility.

A student who does not achieve the minimum standards is no longer eligible for Title IV, HEA program funds, if applicable, unless the student is on warning or has prevailed upon appeal of the Determination that has resulted in the status of probation.

l. Temporary Interruptions

If enrollment is interrupted due to an approved Leave of Absence or for any reason, a student must be considered making satisfactory academic progress to be eligible for Title IV Federal Funding.

m. Re-entry after Withdrawal

Students re-entering the institution must re-enter in the same SAP status as when they left.

n. Course Incompletes, Repetitions and Non-Credit Remedial Courses

Course incompletes, repetitions and non-credit remedial courses do not apply to this institution and have no effect on SAP.

o. Transfers

Transfer hours and academics from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

p. Satisfactory Academic Progress Results

All evaluations will be completed within seven (7) business days following the established evaluation periods. A copy of their evaluation results is provided to each student if the results will negatively affect the student and when not meeting SAP.

q. Re-establishment of Satisfactory Academic Progress

Student not meeting SAP during a Warning Period may re-establish satisfactory academic progress and Title IV by meeting 67% attendance and 75% grade point average at the end of the evaluation period.

8. Cost of Attendance

UCAS University of Cosmetology Arts & Sciences offers a high-quality education on the beauty industry at an affordable price. The Cost of Attendance (Budget) is an estimate of expenses while a student is enrolled at UCAS University of Cosmetology Arts & Sciences for the period of enrollment. These expenses are used to measure financial need.

Expenses include direct costs like tuition, fees text materials and kit as well as indirect items like food, housing, transportation, and personal expenses.

Cost of attendance includes:

1. **Tuition and fees:** The cost of tuition and fee for a student based on the program of enrollment. Please see school catalog page 66-68.
2. **Food and Housing (Living Expenses):** A reasonable estimate of what it cost to live while attending school. Actual cost may vary by student choices, typically includes rent, food, household supplies and utilities.
3. **Text Material and Kit (Books, course material, supplies and equipment):** Average cost of required course materials and school supplies; based on averages of the actual cost of purchasing for the course of study.
4. **Personal expenses:** Estimate of costs for clothing, haircuts entertainment and other miscellaneous expenses. What the student spends on these types of expenses may be higher or lower depending on their own lifestyle.
5. **Transportation:** Represents travel costs for the average number of trips the student might take from home to school. What the student spend on travel may be higher or lower depending on the number of trips, distance, and mode of travel.
6. **Loan fees:** If a student borrows a Federal Direct Loan, the cost of attendance will include fees (origination fee) required to receive the loans.
7. **Extra Instructional Charges:** Since extra instructional charges are not charges that are normally assessed (they are in addition to normal tuition and fees), they are not included in the students cost of attendance for Title IV purposes, and therefore Title IV funds do not pay extra instructional charges, even if the school obtains a student's (or parent's) authorization to do so.

The school highly encouraged and recommends the student to complete the program of study within the established timeframe to avoid extra instructional charges.

9. WITHDRAWAL-OFFICIAL & UNOFFICIAL

A student may withdraw from school at any time by notifying the school in writing. If the student does not notify the school, the date of determination would be 14 days after the student's last day of attendance unless the student is on an approved Leave of Absence. A Termination Fee of \$ 150.00 will be applied when a student officially or unofficially withdraws.

a. Student Official Withdrawal

- 1) Notify your School Director of your intention to withdraw and provide reasons.
- 2) Fill out a Student Notification of Withdrawal form.
- 3) Pay your withdrawal fee (150.00)
- 4) Upon payment of withdrawal fee, an appointment will be scheduled from 7 to 10 business days by the school director to finalize Financial Obligations, such as:
 - School Balance
 - Federal Direct Student Loan Balance
- 5) The completed form must be returned to the School Executive Director for processing by the Financial Aid Office.
- 6) Upon withdrawal and provided that the agreed tuition and fees have been tendered, student is entitled to an official transcript of hours.
- 7) If a student loan and/or Pell refund is due to the bank or government, student will be notified in writing.

- 8) The school will utilize the date that the notification is hand delivered to the school official as the official cancellation date.

b. Unofficial Withdrawal

1. If the student does not notify the school, the date of determination would be no later than 14 calendar days after the student's last day of attendance unless the student is on an approved Leave of Absence.
2. If a student loan and/or Pell refund is due to the bank or Department of Education, student will be notified in writing.

10. Return of Title IV Federal Funds

Disbursement of Funds

When a recipient of Title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of Title IV grant or loan assistance that the student earned as of the student's withdrawal date. For our Institution that is required to take attendance the last day of attendance is the withdrawal date.

Hours Earned

The earned amount of Title IV grant or loan earned is determined by dividing the scheduled hours thru last day attended by the hours in the payment period. If the student has completed more than 60% of the payment period, 100% of the funds are earned.

If a student earns less than 60% of the funds, the difference is returned to the loan or Pell Grant Program.

Post-Withdraw Disbursements for Loans

If a post-withdrawal loan disbursement exists the institution must notify the student in writing requesting the student's or parent's permission, to receive the funds. The student or parent will be advised in writing within 30 days of determination of withdrawal. If the student is due a post-withdraw loan disbursement of the federal education loan, in the information a school provides to a student that he or she is due a post withdraws loan disbursement, the school will include information about the advantages of keeping loan debt to a minimum. Post-Withdraw Disbursements applies only to loans.

Failure to respond within 14 days, no disbursement will be made. A post-withdrawal exists when the student is eligible to receive funds, but the funds have not been disbursed when the student withdraws. A letter of notification is sent to the student when funds are returned either to the Loan Program or to the parent in case of a PLUS loan. The notification must be clear that if the student or parent do not respond to the notification, within time frame, the school is not required to make the post-withdraw disbursement.

If a student or parent submits a timely response accepting all or a portion of a post withdraw disbursement, per the student's or parent's instructions, the school must disburse the funds within 120 days of the date of the institution's determination that the student withdrew.

The application regulation requires that the students repay only 50% of the initial amount of any Title IV Grant funds. Within 45 days of determining that the student who withdrew must repay all or part of the Title IV grant, a school must notify the student within 30 days that he or she must repay the overpayment or make satisfactory arrangements to repay it. In its notification a school must inform the student that:

1. The student owes any overpayment of Title IV funds.
2. The student's eligibility for additional Title IV funds will end if the student fails to take a positive action by the 45th day following the date the school sent or was required to send notification to the student.
3. There are positive actions a student can take to extent his or her eligibility for Title IV funds beyond 45 days:
 - a. The student may repay the overpayment in full to the school.

- b. The student may sign a repayment agreement with the school.
 - c. The student may sign a repayment agreement with the Department.
4. If the student fails to take one of the positive actions during the 45-day period, the student's overpayment immediately must be reported to the Borrowers Service for Collection.
 5. The student should contact the school to discuss his or her options.

Title IV Refund Order

Order of return of Title IV funds for unearned funds will be as follows:

- Unsubsidized Federal Stafford Loans
- Subsidized Federal Stafford Loans

Time frame for the return of Title IV funds will be no later than 45 days after the date of the Institution's determination the student withdrew.

15. Texas Department of Licensing & Regulations-Example of the Tuition and Refund Calculations Worksheet

Date Form Completed	8/7/2020	Program	Cosmetology	Enrollment Date	3/30/2018
Student Name	Mary Jones		Effective Date of Termination		1/18/2019
Student Permit #	1234				
Program Hours	A. 1000	Hourly Tuition Rate		B. \$ 11.00	
Program Tuition	\$ 11,000.00	Hours Scheduled as of Effective Date of Termination		C. 726	

Monetary amounts should be in dollars and cents (rounded to the nearest penny).
When calculating percentages, round to three decimal places. (For example, .4486 = .449, or 44.9%)

STEP 1: Calculate Tuition and Fees Earned by School

Per Tex. Occ. Code 1602.458(b), tuition refund is based upon schedule hours. Calculate earned tuition by multiplying the hourly tuition rate by the student's schedule hours as of the Effective Date of Termination

Hourly Tuition	\$ 11.00	X	Schedule Hours	726	=	Earned Tuition	\$ 7,986.00
	Box B			Box C		Box D	

Calculate the sum of all fees incurred by student which school has earned.

Amount Charged	
Earned Fees	
Enrollment Fee	\$ 150.00
Books & Kit	\$ 1,093.12
Termination Fee	\$ 150.00
Other	\$ -
TOTAL Earned Fees E.	\$ 1,393.12

Calculate the sum of earned Tuition and Earned Fees

Add Earned Tuition and Earned Fees Together	
Earned Tuition	\$ 7,986.00 Box D
Earned Fees +	\$ 1,393.12 Box E
Total Tuition and Fees	
Earned F.	\$ 9,379.12

Proceed to Step 2.

STEP 2: Calculate Student Tuition and Fees Payments- Apply payments received by the school first to mandatory fees

Calculate the sum of all payments received by the school towards tuition charges.

Amount Paid	
Tuition Payments	
Student Payments	\$ 1,859.57
Financial Aid +	\$ 1,383.88
Total Tuition Payments G.	\$ 3,243.45

Calculate the sum of all payments received by the school on behalf of student.

Amount Paid	
Fee Payments	
Enrollment Fee	\$ 150.00
Books & Kit	\$ 1,093.12
Termination Fee	\$ -
Other +	0
Total Fee Payments H.	\$ 1,243.12

TOTAL Student Payments	\$ 3,243.45	+	\$ 1,243.12	=	\$ 4,631.67 I.
	Box G.		Box H.		Proceed to Step 3.

STEP 3: Percentage of Course Completed

Calculate the percentage of course completion by dividing scheduled Hours as of the Effective Date of Termination by Program

J. Determine the percentage of the course completed

726	÷	1000	=	72.60%
Box C		Box A.		Box J.

If the percentage in Box J is **greater than 50%, PROCEED to STEP 6**; if the percentage in Box J is **less than 50%, PROCEED to STEP 4**

STEP 4: Calculate Outstanding Tuition ("Unused Tuition" or "Unearned Tuition")

Subtract Total Tuition Payments from Earned Tuition

Total Tuition Payments	\$ -	Box G
Earned Tuition -	\$ -	Box D
Outstanding Tuition K.	\$ -	

If Box K is greater than "0", PROCEED to STEP 5 to calculate amount of refund. If Box G is less than Box D, then enter "0" in Box K, school has earned all tuition payments. In other words, no tuition payments are unused or outstanding and **NO REFUND IS DUE. Proceed to STEP 6.**

STEP 5: Calculate Refund of Outstanding Tuition

* Refer to Tex. Occ. Code Section 1602.459 to determine statutory percentage school is required to use.

Calculate the student refund due by multiplying the outstanding Tuition by the Statutory Refund Percentage

0	X	0%	=	\$ - L.
Box K.		Statutory Pct. 1602.459*		Student Refund

The Amount in **Box L** is a refund of outstanding (unearned) tuition paid by or on behalf of the student, the School **SHALL REFUND** the amount in **Box L. STOP.**

STEP 6: Calculate Balance Due to School.

Calculate the balance is due from Student by subtracting Total Student Payments, Box I, FROM Total Tuition and Fees Earned, Box F.

\$ 9,379.12	-	\$ 4,631.67	=	\$ 4,747.45 M.
Box F		Box I		Balance

If **Box F** is greater than Box I, Student **OWES** School balance in **Box M**. If Box I is greater than Box F, Student's Total Payments exceed School's Total Tuition and Fees Earned, however, **NO REFUND is due IAW 1602.459(A) SCHOOL** may retain 100% of tuition and fees **PAID** by Student. **STOP.**
